

## **Staff and Parent Fee Policy**

Parents and leaders are not required to pay annual registration fees but are required to complete the online registration forms providing their medical details and the like.

Parents and leaders are required to pay camp fees for a camp they are attending if they are not providing transport for pathfinders to the camp. If they are providing transport for pathfinders to the camp then they have the option of either:

- paying the camp fees and claiming fuel receipts
- not paying the camp fee and not claiming fuel receipts.

Either way all parents and leaders must complete the online camp registration and permissions if they are attending the camp.
